

# ParityChecker

Manage your rate positioning

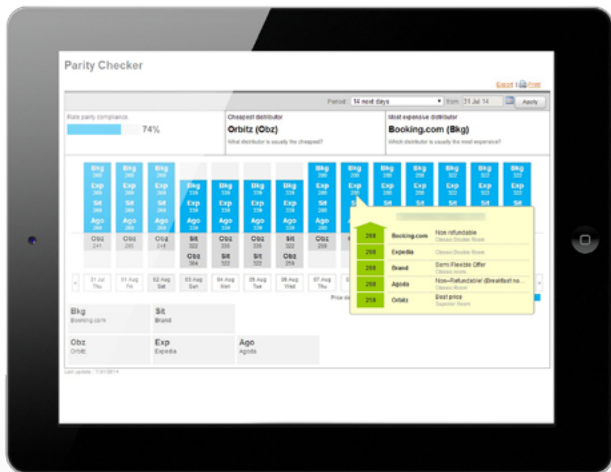

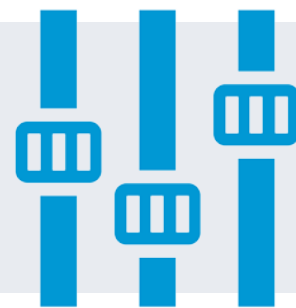

## A SIMPLE SOLUTION TO:

- Conduct rate monitoring
- Compare your selling Rates on distribution portals
- Help you to make rate decisions

# You choose...

- The observation period
- The distribution portals

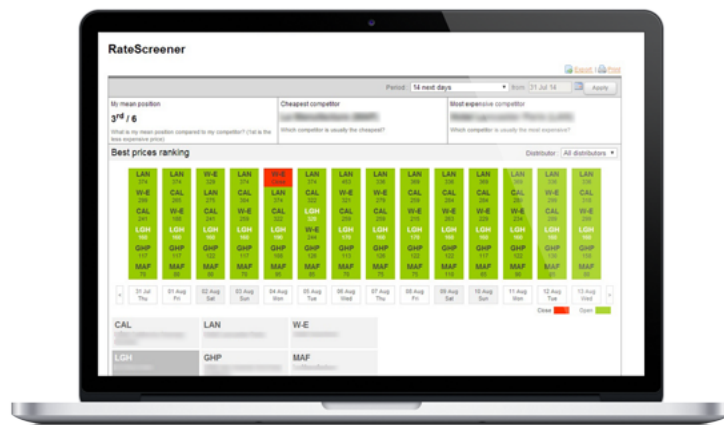

## Check for parity or non-parity

The rate parity analysis for your hotel shows price discrepancies between your various distributors and your web site, whether deliberate or accidental.

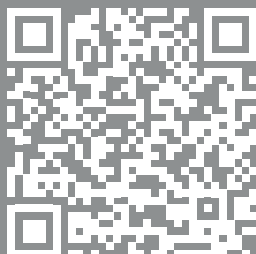

## Combine with RateScreener for additional functionality

See how your rate stands against your competitors. Adjust your pricing to maximise your occupancy rate. A clear, automatic dashboard shows how your hotel's rates compare with your competitors each day.

## Also...

Combine RateScreener and Parity Checker to compare your competitors' rate parity in detail on the distribution portals that they use.
