

RateScreeneer

Monitor your competition

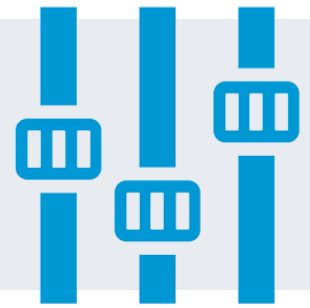

A SIMPLE SOLUTION TO:

- Fine tune your hotel's pricing
- Compare your competitors rates on distribution portals and their official website
- Help optimise your rates

You choose...

- The observation period
- The number of hotels observed
- The distribution portals

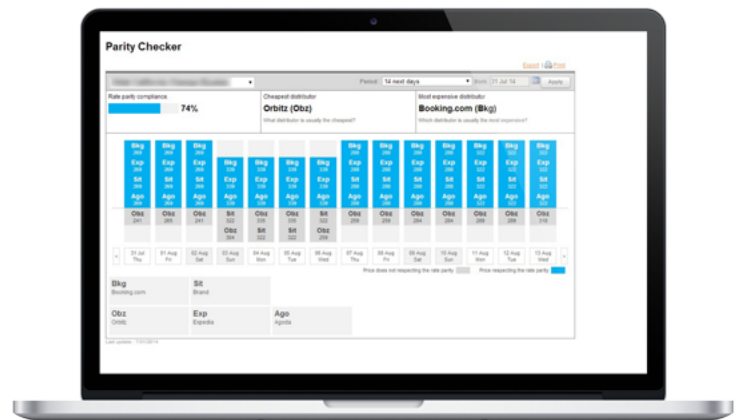

Your hotel's price position

See how your rate stands against your competitors. Adjust your pricing to maximize your occupancy rate and total revenue.

A clear, automatic dashboard shows how your hotel's rates compare with your competitors each day.

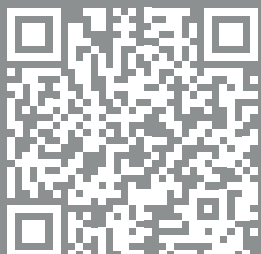

Conduct more detailed analyses

The rate parity analysis for your hotel shows price discrepancies between your various distributors and your web site, enabling you to make adjustments where necessary.

Also...

Combine RateScreener and Parity Checker to compare your competitors' rate parity in detail on the distribution portals that they use.
