

Smart Booking Engine web

Maximise commission-free bookings from your website

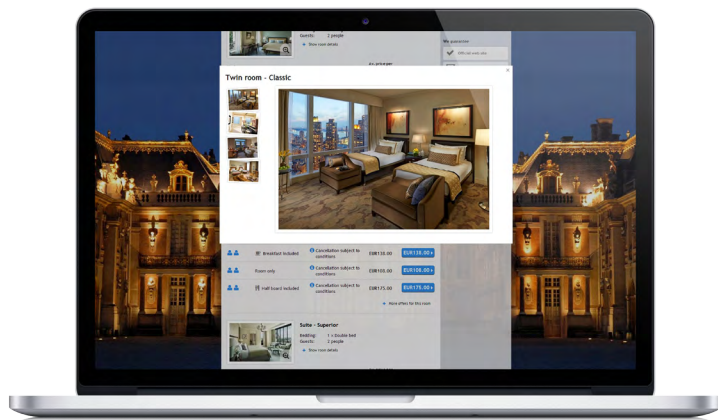

A SIMPLE SOLUTION TO:

- Sell your rooms directly
- Manage your image effectively
- Design and promote your own special offers and extras as required
- Personalise to match your own website

You choose...

- the room types and rates available
- relevant visuals and descriptive texts
- a display mode tailored to your hotel

A unique booking engine

Best conversion rate on the market!

A shared goal: to generate the maximum volume of bookings.

A focus on user experience

- The best online hotel booking experience
- Easy to read with clear design
- Smooth, intuitive, reassuring booking process
- Available in more than 20 languages

A range of features to suit all your requirements

Different rates and sales terms and conditions:

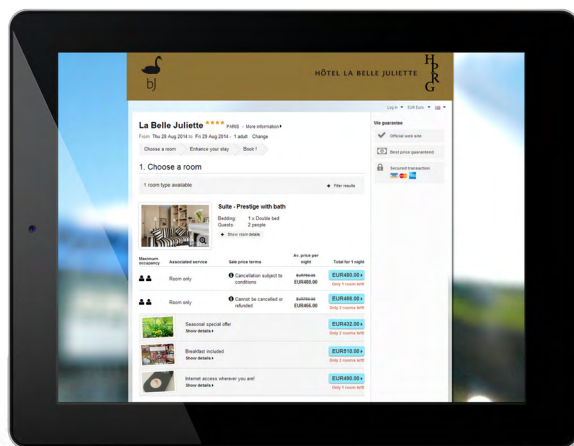

- rack rate, 3 nights for 2, last-minute, non-refundable, etc.

Promote your offers:

- customized package display
- dedicated extra promotion page
- option to book several rooms at once

Simple configuration via the extranet:

- engine configuration wizard

Also...

- Enable your guests to take out a cancellation insurance policy online. Identify the origin of your bookings: referral site, marketing campaigns (mailshots, Google Adwords, etc.).
- Manage all direct bookings and bookings from other distribution channels (IDS, GDS, price comparison web sites and social media) via a single extranet.
- Display your best price of the day per day or per month with our widget best price (optional).
